Skateboard kickflipping, poster designing, snap dancing, rap rhyming, photo shooting, Youtube filming and fashion styling, are just a few things you can do this June at Rocketown. Summer Sessions allows youth to explore distinct interests, bridge diversity and gain confidence in their unique gifts, talents and artistic voice.

**Mission:** Rocketown Summer Sessions exists so that youth will be able to explore their interests and passions in film, dance, skatingboarding, music and the arts while building deep relationships with positive, caring mentors who will listen and walk beside them.

### Objectives:

- 1) To encourage and inspire youth to explore their creative talents and voice.
- 2) To build confidence in youth's gifts and abilities.
- 3) To bridge unity amongst Nashville's diverse racial, social and economic backgrounds.
- 4) To promote personal growth by encouraging youth to step outside their comfort zone.
- 5) To develop rich mentoring relationships with local youth.
